

# Fall: 2:42 Life Group Week 6

“Joyful Fellowship”

1 John 1:1-4

## Getting to know each other:

- 1) God created us for fellowship: “Koinonia”. When we accepted John’s message concerning Jesus Christ, we were placed into a special relationship with God, and with our brothers and sisters in Christ. What evidence of that fellowship can you see in your own life and experiences?

## Getting into the Word:

- 2) The apostle John says, “these things I write to you”, thirteen times in this letter. Look up the following verses and describe what John is writing to you about. 1 John 1:4, 2:1, 2:22-26, & 5:13

---

---

---

- 3) John calls Jesus “the eternal life which was with the Father and was manifested (revealed) to us”: 1 Jn 1:2. What does this imply about Jesus to call Him “the eternal life”? See Jn 3:14-17; Jn 3:36; Jn 5:24; Jn 6:40; Jn 11:25,26; Rom 5:20,21; 1 Jn 5:11 & 12.

---

- 4) What is the most significant truth the Holy Spirit spoke to your heart from 1 John 1:1-4?

---

---

---

- 5) Extra Credit or if Time permits: John emphasizes both the Deity and the humanity of Jesus Christ. Why is this such an important doctrine of the Christian Faith?
