

Fall: 2:42 Life Group Week 4

“Jesus is Coming: Guaranteed”

2 Peter 3:1-9

Getting to know each other:

- 1.) What is a hobby you enjoy that you used to do, are currently doing, or hope to do in the future? Why are you interested in this hobby?

Getting into the Word:

- 2.) Why is it so important to believe that Jesus Christ will come back to earth and set up the kingdom of God? See Isa.11:6-10...Isa.35:1-10...Matt.24:29-31...Luke 21:25-28...Rev.19:11-16

- 3.) The world is full of mockers and scoffers, especially when it comes to Biblical doctrines such as Creation and the 2nd Coming of Christ. Many of us may have been that way before we got saved. What are some ways you have been able to address those who speak against the Bible? What has been effective and what has been ineffective?

- 4.) Look up the definitions of "uniformitarianism" and "catastrophism". What does the Apostle Peter have to say about these 2 differing theories in 2Pet.3:4-7? How does this apply to our lives today?

"The Lord is...not willing that any should perish but that all should come to repentance." 2Pet.3:9
