“Adam and Eve”

Genesis 2:15-25

Getting to know each other:

- 1) Interacting with God's Word is an important part of the Christian life. James 1:22 says, "be doers of the Word, and not hearers only, deceiving yourselves." Put a checkmark next to the following descriptions that best describe how you are currently doing in your study of the Bible.

Getting into the Word:

- 2) In Genesis 2:16, we read about the 1st "command" God gave to a human being, Adam. God's Word (His commands) are meant only for our blessing, benefit and protection. After reading the following verses, make a list of all the blessings and benefits you find. Ps.1:1-3...Ps.19:7-14...Ps.23...Ps.119:94-112...2Tim.3:14-17.

Looking back over your list of blessings and benefits, which of these have you experienced in your life? Which of these do you need the most in your life today? Which of these motivate you to dig deeper into the Word? Are there any changes you could make to experience more of the blessings and benefits that God promises you from His Word?

- 3) In Genesis 2, God performed the 1st Wedding / Marriage. What are some foundational truths that you find in this section of Scripture concerning God's design for marriage?

- 4) Thinking back on Sunday's message, was there anything that caught your attention, challenged you, encouraged you, or brought up more questions?

“God established Marriage between a husband and his wife; the deepest, most intimate bond two human beings can share.”—Pastor Chuck
