

# Winter 2021 Acts: 2:42 Life Group Week 5

"These Things Ought Not to be Done"

Genesis 34:1-31

## Getting to know each other:

- 1) Do you tend to endlessly brainstorm things and think through every angle, or do you tend to just jump in and adjust as you go?

---

---

---

- 2) What happened in Gen.34 was tragic. I'm sure if Jacob could have foreseen what would happen if he stayed in Shechem, things would have been much different. If you could travel back in time to one specific day in your life, what would you do differently, and how might that have changed your life today? Have you seen Jesus fulfill Rom.8:28 in that situation?

---

---

---

## Getting into the Word:

- 3) A lot of people say they believe in the Lord, but their actions do not line up with God's Word. What do the following verses say about our walk needing to line up with our talk? Jms1:22...Matt.7:21-23...Eph.2:10...1Cor.6:9-11...Eph.5:3-7...1John 3:10-11 & 16-19, 2Cor.13:4-6.

---

---

---

- 4) What part does the Holy Spirit and the Word of God play in our lives in order to keep us walking close to Jesus, and not stumbling into sinful behavior? Ps.119:9-11 & 105...Col.3:12-17...Eph.5:15-21... Acts 1:8...Gal.2:20-3:4...John 14:15-18...John 16:7-8...Phil.2:12-13.
