

Spring: Week 2

3-30-25

"Confrontations and Comfort"

Acts 23:1-11

Current Session thru May 18th

Getting to know each other:

- 1) If you could change your birth date back 100 years, or forward 20 years, which would you choose, and why?

- 2) Jesus has revealed Himself to us in many beautiful ways. For example: He is our Shepherd, Counselor, Mighty God, Prince of Peace, Protector, Provider, Groom, the Resurrection and the Life, ect. How has Jesus revealed Himself to you lately, and what was the situation you faced?

Getting into the Word:

- 3) Like the Apostle Paul, we may experience many high points in our walk with Jesus. But also, like Paul, we may experience times of despair and discouragement. But, because we belong to Jesus, we also know that our ultimate destination will be in heaven with Jesus. How do these verses encourage you, no matter what you're going through today?
