"Israel Walks with Jesus"
Larry Dubin CJF Ministries

Current Life Group Session:
September 21 – November 16, 2025

Getting to know each other:

1) It's not the amount of faith that matters the most, but it's who we place our faith in. Can you share a story of a time when you felt you had "little faith", but you stepped out anyway, and God blessed it?

2) The Bible not only talks about those who had great victories in their lives, but it also talks about great failures as well. But God is always faithful to forgive and restore when there is genuine repentance. Is there a Biblical character you can relate to who has failed, but has been forgiven?

Getting into the Word:

3) There are 100's of Old Testament prophecies that were fulfilled by revealing Jesus' eternal nature, and His birth, life, death, burial and resurrection. Where do these verses fit into the life of Jesus?
Gen.3:15...Ps.16:8-11...Ps.22:1-18...Isa.7:13-14...Isa.9:6-7...Isa.43:10-12...Isa.44:6-8...Isa.53:1-12...Isa.61:1-2.
(This is why the Book of Isaiah is often referred to as the 5th Gospel)
Are there others that come to mind?

4) Was there anything from Larry's message that encouraged you, challenged you, helped you, or blessed you?

"The LORD said to my Lord, "Sit at My right hand, till I make Your enemies Your footstool." Ps.110:1
